- Raising any necessary additional enquiries
- Receiving mortgage instructions and ensuring all conditions are satisfied
- Reporting to you with regard to all documentation
- Sending the final contract to you for signature
- Agreeing a completion date
- Exchanging contracts
- Preparing a completion statement and ensuring all funds are received from the lender and from you

- Completing the purchase

- Dealing with the land registry application

For leasehold transactions we will also deal with the following:

- ☐ Checking the Management Information provided by the Landlord and Managing Agent and raising any necessary further enquiries
- ☐ Ensuring that we comply with the Landlord's/Managing Agents requirements relating to registration of you as the new owner of the property

Disbursements on a Purchase

Likely disbursements on a purchase would include local search, drainage search, environmental search, chancel search, highways search (if necessary).

Also included in the disbursements estimate will be land registry final completion search and bankruptcy search if you are buying using a mortgage. (These figures are not shown in the table above because they are dependent on the purchase price).

If you are buying a leasehold property you will also be required to pay a fee to the Landlord and/or the Managing Agent for confirmation on completion that you are the new owner of the property. This fee will differ depending on the Landlord/Managing Agent and we will confirm the fee when reporting to you once we have received the management information from the Landlord. This fee can range from £90.00 (inc VAT) up to £600.00 (inc VAT).

You will also be required to pay a fee for registration of your ownership for the property at the Land Registry. Please click [here](#) for confirmation of the fee that will be applicable to your purchase.

Other likely costs

You will be required to pay a fee of £35.00 plus VAT in respect of bank charges for each bank transaction

In addition, you may also be liable for SDLT based on the purchase price of the property and whether or not you are a first time buyer. If you are buying the property as a second property you may be liable to pay the additional SDLT payment. Please see [here](#) for an explanation as to whether or not SDLT is payable in respect of your transaction and if so at what level.
